Themed cruises and Special Events

Sailing and Hiking Cruises: These trips are a wonderful combination of sailing and exploring. Guests will get to explore some of the great hiking trails we have discovered. After or before sailing each day, we'll take advantage of the long June days and head ashore for a hike. Hikes of different lengths and levels can be arranged. All hiking is optional.

Schooner Gam and Photo Cruise: One evening we'll raft up with other Maine Windjammers for an evening of music and sea time camaraderie. Bring your camera, and pick up some techniques from our guest professional photographer, Bob Jenks of Jenks Studios in Vermont. This is a unique opportunity to tour and photograph these vessels up close.

Windjamming & Kayaking: One morning guests will have the *optional* opportunity to kayak among the hundreds of protected islands between Deer Isle and Isle au Haut. You'll find the paddling phenomenal among these islands. Experienced Maine kayaking guides will lead us on this paddle, give lessons to beginner kayakers, and tailor the length of the course to the skill level of the group. You'll have the option to stop for an island stroll as well.

The Great Schooner Race: Maine's Windjammers and other tall ships meet to participate in an exciting day of racing. Get involved in sail handling and strategy, or just sit back and enjoy the sight of these majestic tallships racing under full sail.

Lighthouse Cruises: We'll make an effort to sail close up to some of midcoast Maine's beautiful lighthouses offering guests great photo opportunities. We will try to visit a few ashore as well.

Swan's Island Music Festival: Midweek we'll sail to Swan's Island to attend the Sweet Chariot Music Festival, a gathering only accessible by boat! This evening show features performers from all over the U.S. (www.sweetchariotmusicfestival.com)

Camden Windjammer Festival: The *French* participates in a parade of sail as schooners return to Camden Friday evening. You'll have the best seat in town for enjoying the schooner crew talent show, fireworks over Camden Harbor, and other festivities in town. Guests disembark Saturday after breakfast. WoodenBoat Rendezvous: The *French* joins other Windjammers for one last gathering in Brooklin, Maine, home to *WoodenBoat Magazine and School*. This is a great opportunity to photograph these vessels close up under full sail, tour the WoodenBoat school and see some really cool wooden boats.

Knit-Along with Captain Becky: Join a friendly group of knitters of all levels, for a sailing-themed knit-along. Pick up some new crafting skills, and share your skills with your shipmates.

Reservation & Cancellation Policy: For all trips, a \$300 deposit is required per guest upon reservation. The balance is due 8 weeks before the sail date. A full refund - less a \$30 cancellation fee - will be given *if you cancel before 8 weeks of the sail date*. A full refund (less \$30) will be granted for cancellations within 8 weeks of the sail date *if we can fill your space*. We strongly suggest you purchase travel insurance, just in case.

We are a 100% no-smoking vessel
